

Mission Statement

KASE/Warbonnet is dedicated to providing world-class, cost-effective service to its customers needing environmental clean-up, operations and industrial facilities maintenance.

To accomplish this, the KASE/Warbonnet team will:

- Develop innovative approaches and work procedures that solve problems for its customers.
- Provide an experienced, fully-trained and technically competent workforce.
- Maintain a safe and healthy work environment for all employees and subcontractors.
- Commit to the achievement of the company's and its customers' long-term goals, rather than focusing only on short-term results.
- Improve productivity and safety through ongoing training and education.
- Promote and accept only the very best the company has to offer, to itself and to its customers.

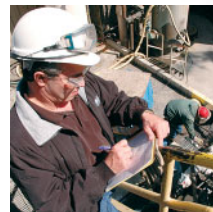

KASE/Warbonnet **Core Safety Values**

- All employees are responsible for their safety and the safety of fellow workers.
- KASE/Warbonnet management is committed to ensuring a safe work environment.
- “ZERO accidents” is achievable.
- No task is worth jeopardizing safety.
- Employees will follow their “safety sense,” and resolve safety issues before proceeding.
- Safe behavior is a condition of employment.

KASE/Warbonnet believes that safety is:
“Behavior for Life”
